IMPLEMENTATION STRATEGY & BUDGET

Bringing EarlyBird to Life

BUDGET

$2500 - $5000

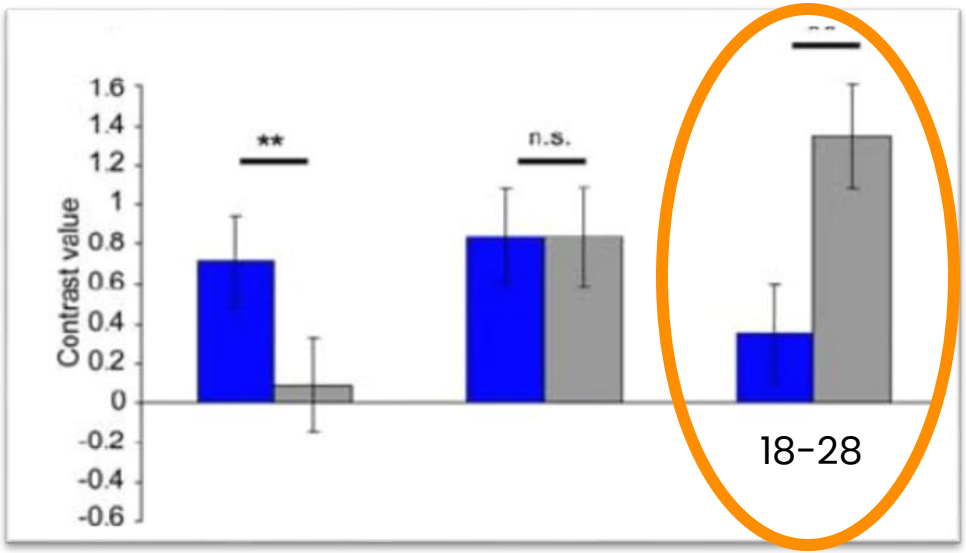
TIMELINE

One Month

DEVELOPMENT

Specialized PHP Contractors

Increased Brain Activation



https://doi.org/10.1523/JNEUROSCI.1485-08.2008

“[positive reinforcement] can... increase students’ motivation to complete assignments and maintain good grades”

"strategic reward intervention could effectively decrease students’ absenteeism"

— University of Illinois

(PDF) The Influence of School’s Reward Systems on Students’ Development

Join EarlyBird

Incentivizing Early Submission. Reducing Procrastination. Improving Outcomes

Win-Win For Everyone:

Students:

- Reduced pressure
- Incentives
- Stronger time management habits

Professors:

- Fewer late submissions
- Earlier grading timeline
- More free time
